

Bright Panda™

SUPPORTS FOCUS*

HIGHLIGHTS

Nootropic blend rich in resveratrol and rosmarinic acid which supports cognitive processes often disrupted by neuroinflammation.

Best used when increased focus is required.

Safe for children.

RECOMMENDED USE

Child safe dose (50lb): Take 1/2 tsp twice daily, best early in the day, or as directed by a health care practitioner. Adjust for others using a weight-adjusted dose.

BENEFITS*

A synergistic blend of herbs to promote a healthy neuroinflammatory response with particular emphasis on the brain microglia.

Aids normal microglial function. Persistent and dysfunctional microglial activation may affect cognition and new learning.

Supports alertness for those who stay tired long into the morning.

Special care was taken to not include dopaminergic or glutamatergic herbs which may aggravate symptoms.
