

Garlic Assist™

ADDRESSING DRUG-RESISTANCE*

HIGHLIGHTS

Contains the highly potent, researched form of garlic that delivers specified levels of active components.

Allicin in its most stable form for maximum delivery.

Supports the immune system and a healthy inflammatory response.

RECOMMENDED USE

Take one softgel per day, or as directed by your healthcare practitioner.

BENEFITS*

Can be paired with antimicrobial therapies. Studies show enhanced effectiveness against certain multi-drug resistant strains when co-administered.

Immunomodulator effective against bacteria, viruses, yeasts and molds.

Supports healthy platelet and endothelium function, commonly altered by mold and mycotoxin exposure.

Apigenin from parsley functions as a neuroprotective agent by managing reactive oxygen species and the resultant inflammatory cascade.
