

# Liposomal Glutathione

ADVANCED DETOXIFICATION SUPPORT\*

## HIGHLIGHTS

Formulated to overcome the absorption challenges normally faced with oral glutathione supplementation.

Addresses the problem of gastric degradation.

Minty taste for peak palatability.

## RECOMMENDED USE

Take 2 pumps (approximately 0.5mL) and hold in the mouth for 30 seconds before swallowing, or as directed by your healthcare practitioner.

## BENEFITS\*

Offsets cellular glutathione depletion caused by mycotoxin effects of decreasing gene expression of the enzymes needed to form glutathione.

Addresses mitochondrial glutathione depletion due to mycotoxin effects of altering mitochondrial membrane fluidity.

Aids the excess oxidative damage from mold and mycotoxin's compromise of glutathione production.

Certain mycotoxins utilize the glutathione detoxification pathway in the liver.

Supplement Facts	
Serving Size 1 mL (approx. 2 pumps)
