

Mold Multi™

THE FIRST STEP FOR MOLD*

HIGHLIGHTS

Premier multi-nutrient formula provides a broad spectrum of bioavailable nutrients designed for people exposed to mold and bacteria in damp buildings.

Provides critical nutrients for subsequent steps.

RECOMMENDED USE

Take one capsule three times daily with meals, or as directed by a health care practitioner.

BENEFITS*

Provides nutrient coenzymes and cofactors most commonly depleted with mold and mycotoxin exposure.

Supports a healthy mast cell and inflammatory response. A chronic inflammatory response cycle is commonly seen in mold-exposed people.

Promotes proper detoxification, including the building blocks of bile acids.

Carefully selected bioavailable forms of nutrients. Malabsorption is often observed after mold exposure.

Supplement Facts

Serving Size 2 capsules
Servings Per Container 30

Amount Per Serving	% Daily Value	Amount Per Serving	% Daily Value
